DESK REVIEW CHECKLIST – 2017 – GAAP VERSION

PURPOSE, DESCRIPTION, REFERENCES TO STANDARDS

This checklist should be used to review reports for the fiscal year ended December 31, 2017.

PURPOSE:

The purpose of a desk review of audit reports is to determine instances of noncompliance in the financial statements and the auditor’s reports with applicable auditing, accounting, and financial reporting standards and related requirements. The purpose of this checklist is to help assure that the scope of the desk review is sufficient to fulfill that objective and to ensure consistency of the review process.

DESCRIPTION:

This checklist is organized in the same order as the elements of the audit report. It is intended to be a guide for the desk review and is designed to be a self-contained document.

All questions in the checklist are designed to receive a “yes,” “no,” or “N/A” (not applicable) response during the review process. The answers “yes” and “N/A” are considered favorable responses and require no further action on the part of the reviewer. All “no” responses are unfavorable and must be explained either under the question or in the comment section at the bottom of the page. In some cases the reviewer will find it necessary to make notes regarding further research required during the working paper review that will follow the desk review, regarding a specific question. Notes made during the review process will be used later to assist in composing a letter to the IPA regarding any deficiencies found.

If the auditor issued an adverse opinion or a disclaimer of opinion on the financial statements as a whole, did the auditor refrain from issuing an unmodified opinion with respect to the same financial reporting framework on a single financial statement or one or more specific elements, accounts, or items of a financial statement? **ALG-CX-13.1: Governmental Disclosure Checklist**

Governmental Unit:  
Prepared by: [    ]

Financial Statement Date: 12/31/2017  
Date: [    ]

**Explanatory Comments**

The following is a list of common disclosure requirements for financial statements of governmental units as required by generally accepted accounting principles. The disclosures are equally appropriate (to the extent applicable) to the financial statements of a single fund, department, or agency of a governmental unit. Note that this is a disclosure checklist, not a GAAP application checklist; accordingly, GAAP measurement and presentation questions are not included. Consideration has been given to the following documents:

**Governmental Accounting Standards Board**

Codification of Governmental Accounting and Financial Reporting Standards (GASB Cod.) (References to GASB Cod. Secs. refer to the June 30, 2016, *Codification of Governmental Accounting and Financial Reporting Standards*).

Governmental Accounting Standards Board Statements (GASBS)

Interpretations (GASBI)

Technical Bulletins (GASBTB)

GASB Implementation Guide No. 2015-1 ([QA 2015-1](#) )

GASB Implementation Guide No. 2016-1, *Implementation Guidance Update—2016* ([QA 2016-1](#) )

**AICPA**

Audit and Accounting Guide, *State and Local Governments* (SLG)

Statements of Position of the Accounting Standards Division (SOP)

This checklist incorporates all recent GASB Statements through [GASBS No. 83](#) .

Some checklist questions do not cite a specific authoritative reference but indicate that the disclosure is “generally accepted.” Many governments disclose this information even though a specific requirement in authoritative literature cannot be identified.

This checklist is divided into two parts: Part I—Most Frequent Disclosures and Part II—Other Disclosures. See separate instructions for Part I and Part II.

**Disclosure requirements unique to the separate financial statements of external investment pools, disclosure requirements unique to public entity risk pools, and disclosure requirements unique to the Single Audit schedule of expenditures of federal awards are presented in other checklists. Complete those checklists in addition to this checklist when applicable.**

This checklist is directed toward disclosures required by GAAP in the basic financial statements and does not include the additional disclosures applicable only to a comprehensive annual financial report (CAFR). This disclosure checklist does not include all of the suggested disclosures included in the *GFOA's Governmental Accounting, Auditing, and Financial Reporting (GAAFR)*.

**Exercise caution in determining which disclosures are applicable. Different requirements may apply to governmental funds and proprietary funds, and different ones may apply to an enterprise fund, depending on the issuance date of the pronouncement being considered.**

The disclosure checklist is current as of the following documents:

- [GASBS No. 83, Certain Asset Retirement Obligations \(link\)](#) (November 2016)
- [GASBI No. 6](#) (March 2000, amended June 2015)
- [GASBTB No. 2008-1](#) (December 2008, superseded by [GASBS No. 75](#) effective for years beginning after June 15, 2017)
- [QA 2015-1](#) (June 2015)
- [QA 2016-1](#) (June 2016)

PPC has developed an electronic version of this disclosure checklist, including real-world examples of each required disclosure. For order information on PPC's *Interactive Disclosure Library™ for Governments* and PPC's *SMART Practice Aids™—Disclosure*, call (800) 431-9025.

**PART I—MOST FREQUENT DISCLOSURES**

**Instructions**

Complete Part I in its entirety. A box has been provided for each major disclosure caption. If the major caption is not applicable to your client, simply place a checkmark in the box. It will then not be necessary to check “N/A” for each question under the major caption. Otherwise, respond to each question with a checkmark in the appropriate column: (1) Yes—disclosure made; (2) No—item present but no disclosure made (any item checked “No” should be explained in the checklist or in a separate memorandum); or (3) N/A—either the item is not present or it is immaterial to the financial statements.

NOTE: The disclosures required by [GASBS Nos. 3](#) , as amended, and [40](#) should generally be made for the primary government, including its blended component units. Risk disclosures should also be presented for governmental and business-type activities, individual major funds, nonmajor funds in the aggregate, or fiduciary fund types when those risks are significantly greater than the risks of the primary government. ([GASBS No. 40, para. 5](#) ) Disclosures required by [GASBS Nos. 3](#) , as amended, and [40](#) should be made separately for the total of those discretely presented component units for which disclosures are essential to fair presentation. ([GASB Cod. Sec. C20.105](#) )

[GASBS No. 72, Fair Value Measurement and Application \(link\)](#) , establishes new requirements on how fair value should be measured, which assets and liabilities should be measured at fair value, and what information about fair value should be disclosed in the notes to the financial statements. [GASBS No. 72](#) is effective for periods beginning after June 15, 2015, with earlier implementation encouraged. Certain questions in this section are answered depending on whether [GASBS No. 72](#) has been implemented. Questions 11a and 13c(4) should be answered only if [GASBS No. 72](#) has not been implemented. Questions 11g and 13c(5) should be answered only if [GASBS No. 72](#) has been implemented.

In addition, [GASBS No. 79, Certain External Investment Pools and Pool Participants \(link\)](#) , establishes criteria that, if met, permit external investment pools to elect to measure all of their investments at amortized cost for financial reporting purposes. [GASBS No. 79](#) also establishes additional disclosure requirements for qualifying external investment pools that make that election and for governments that participate in such external investment pools. Most provisions of [GASBS No. 79](#) are effective for reporting periods beginning after June 15, 2015. Question 11f should be answered if [GASBS No. 79](#) has been implemented.

The disclosure requirements for external investment pools and the governments that sponsor such pools are included in Part II of this checklist.

## **PENSIONS—EMPLOYER AND NONEMPLOYER CONTRIBUTING ENTITY FINANCIAL STATEMENTS**

NOTE: This section should be completed for the financial statements of employers and nonemployer contributing entities, that is, for the reporting requirements of *GASBS No. 27, Accounting for Pensions by State and Local Governmental Employers* ([link](#)); *GASBS No. 68, Accounting and Financial Reporting for Pensions—an Amendment of GASB Statement No. 27* ([link](#)); *GASBS No. 73, Accounting and Financial Reporting for Pensions and Related Assets That Are Not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68* ([link](#)); or *GASBS No. 78, Pensions Provided through Certain Multiple-Employer Defined Benefit Pension Plans* ([link](#)). *GASBS No. 73* applies when pensions are not administered through trusts or similar arrangements that meet the specified criteria (i.e., pensions not within the scope of *GASBS No. 68*). *GASBS No. 73* has multiple effective dates. It amends certain provisions of *GASBS Nos. 67* and *68* effective for fiscal years beginning after June 15, 2015. For pensions not within the scope of *GASBS No. 68*, it supersedes all remaining requirements in *GASBS No. 27* effective for fiscal years beginning after June 15, 2016; requirements that address financial reporting for assets accumulated for purposes of providing those pensions are effective for fiscal years beginning after June 15, 2015. *GASBS No. 78* amends *GASBS No. 68* to exclude from its scope and applicability pensions provided to employees through a cost-sharing multiple-employer defined benefit pension plan that (1) is not a state or local governmental pension plan, (2) is used to provide defined benefit pensions both to employees of state or local governmental employers and to employees of nongovernmental entities, and (3) has no predominant state or local governmental employer (either individually or collectively with other state or local governmental employers that provide pensions through the plan). *GASBS No. 78* is effective for reporting periods beginning after December 15, 2015. *GASBS Nos. 68* and *73* have been amended by *GASBS No. 82, Pension Issues—an amendment of GASB Statements No. 67, No. 68, and No. 73* ([link](#)), effective for reporting periods beginning after June 15, 2016. However, certain provisions relating to the selection of assumptions are deferred one year, until June 15, 2017, if the employer's pension liability is measured as of a date other than the employer's most recent fiscal year end.

Questions 1–16 should be answered if *GASBS No. 27* is applicable or if neither *GASBS No. 68* nor *GASBS No. 73* has been implemented. Questions 17–40 should be answered if *GASBS No. 68* is applicable and has been implemented. *GASBS No. 68*, which is effective for fiscal years beginning after June 15, 2014, with earlier implementation encouraged, applies when pensions are administered through trusts or similar arrangements that meet certain specific criteria. Questions 41–43 should be answered if *GASBS No. 78* is applicable and has been implemented. Questions 44–67 should be answered if *GASBS No. 73* is applicable and has been implemented.

Do not use this section for financial statements issued by pension plans. Instead, the section PENSIONS—PLAN FINANCIAL STATEMENTS should be completed for the reporting requirements of *GASBS No. 25, Financial Reporting for Defined Benefit Pension Plans and Note Disclosures for Defined Contribution Plans* ([link](#)), or *GASBS No. 67, Reporting for Pension Plans—an Amendment of GASB Statement No. 25* ([link](#)) (as amended by *GASBS No. 73*).

NOTE: This section should be completed for a pension plan’s financial statements, that is, for the reporting requirements of *GASBS No. 25, Financial Reporting for Defined Benefit Pension Plans and Note Disclosures for Defined Contribution Plans* ([link](#)), or *GASBS No. 67, Reporting for Pension Plans—an Amendment of GASB Statement No. 25* ([link](#)) (as amended by [GASBS No. 73](#) and [GASBS No. 82](#)). [GASBS No. 67](#) applies to plans that are administered through trusts or similar arrangements that meet certain specific criteria. *GASBS No. 73, Accounting and Financial Reporting for Pensions and Related Assets That Are Not within the Scope of GASB Statement 68, and Amendments to Certain Provisions of GASB Statements 67 and 68* ([link](#)), applies when pensions are not administered through trusts or similar arrangements that meet the specified criteria (i.e., pensions not within the scope of [GASBS No. 68](#)). [GASBS No. 73](#) has multiple effective dates. It amends certain provisions of [GASBS Nos. 67](#) and [68](#) effective for fiscal years beginning after June 15, 2015. For pensions not within the scope of [GASBS No. 68](#), it supersedes all remaining requirements in [GASBS No. 27](#) effective for fiscal years beginning after June 15, 2016; requirements that address financial reporting for assets accumulated for purposes of providing those pensions are effective for fiscal years beginning after June 15, 2015. It also supersedes [GASBS No. 25, paragraphs 2–7, 9, 12–40, and 43–45](#), and [GASBS No. 50, paragraphs 4 and 6–10](#), for fiscal years beginning after June 15, 2016. *GASBS No. 82, Pension Issues—an amendment of GASB Statements No. 67, No. 68, and No. 73* ([link](#)), is effective for reporting periods beginning after June 15, 2016. However, certain provisions relating to the selection of assumptions are deferred one year, until June 15, 2017, if the employer’s pension liability is measured as of a date other than the employer’s most recent fiscal year end.

Questions 1–16 should be answered for plans that are not covered in the scope of [GASBS No. 67](#), or that have not yet implemented [GASBS No. 73](#). If [GASBS No. 67](#) is applicable, Questions 17–24 should be answered.

Do not use this section for the employer’s or nonemployer contributing entity’s financial statements. Instead, the section PENSIONS—EMPLOYER AND NONEMPLOYER CONTRIBUTING ENTITY FINANCIAL STATEMENTS should be completed for the employer’s and nonemployer contributing entity’s reporting requirements in [GASBS No. 27](#), [68](#), or [73](#).

#### POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS—EMPLOYER AND NONEMPLOYER CONTRIBUTING ENTITY FINANCIAL STATEMENTS

NOTE: This section should be completed for the financial statements of employers and nonemployer contributing entities; that is, for the reporting requirements of *GASBS No. 45, Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions* ([link](#)), or *GASBS No. 75, Accounting and Financial Reporting for Postemployment Benefits Other Than Pensions* ([link](#)). *GASBS No. 75* supersedes *GASBS No. 45* effective for financial statements for fiscal years beginning after June 15, 2017, with earlier implementation encouraged.

Questions 1–18 should be answered if [GASBS No. 75](#) has not been implemented. If [GASBS No. 75](#) has been implemented, Questions 19–63 should be answered.

Do not use this section for financial statements issued by OPEB plans. Instead, the section POSTEMPLOYMENT BENEFITS OTHER THAN PENSION BENEFITS—PLAN FINANCIAL STATEMENTS should be completed for the reporting requirements in *GASBS No. 43, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans* ([link](#)), or *GASBS No. 74, Financial Reporting for Postemployment Benefit Plans Other Than Pension Plans* ([link](#)).
