WHEREAS, a provision was included in the State Government Finance bill House File 1481 (Article 2, Section 3) and is as follows:

"A county, town, school district, or statutory or home rule charter city may file a written resolution with the State Auditor objecting to a state mandate or making recommendations for reforming a state mandate. The State Auditor must list on the State Auditor's web site a list of all state mandates cited in a resolution under this section, and the name of the unit of the local government citing the mandate", and

WHEREAS, a large number of Minnesota Cities and at least one county use administrative tickets as a means of creating flexibility in law enforcement, relieving pressure from the court system and directing revenues to the point of service delivery, and

WHEREAS, administrative tickets have proved to be an efficient, cost effective form of service delivery while still providing customers with proper legal protections, and

WHEREAS, the State Auditor and State Attorney General have expended considerable effort at taxpayer expense to discourage the use of administrative tickets and continue with a more cumbersome and costly service delivery method;

THEREFORE BE IT RESOLVED, that Aitkin County supports legislation clarifying the right of cities and counties to use administrative tickets.
