

**CERTIFIED COPY OF RESOLUTION OF COUNTY BOARD OF AITKIN COUNTY, MINNESOTA**

ADOPTED April 11, 2006

1. By Commissioner: Olson

041106-054

**WHEREAS**, a provision was included in the State Government Finance bill House File 1481 (Article 2, Section 3) and is as follows:

"A county, town, school district, or statutory or home rule charter city may file a written resolution with the State Auditor objecting to a state mandate or making recommendations for reforming a state mandate. The State Auditor must list on the State Auditor's web site a list of all state mandates cited in a resolution under this section, and the name of the unit of the local government citing the mandate", and

**WHEREAS**, the use of computerized telephone messages, known as automatic dialing devices (ADAD), is generally prohibited to residences by Federal law, and

**WHEREAS**, this prohibition prudently prohibits such calls to emergency lines, doctor's offices and hospitals, and

**WHEREAS**, ADAD calls are currently legal to places of business, including units of government, and

**WHEREAS**, non-business-related mass marketing calls are not an appropriate use of public sector resources or worker time, and

**WHEREAS**, the experience is that ADAD callers are not receptive to removing blocks of numbers from their call list,

**THEREFORE BE IT RESOLVED**, Aitkin County supports legislative action to supplement federal law and ban the use of ADAD calls to units of government in Minnesota.
