

<p>Modify police reporting requirements</p>		<p>Numerous mandatory law enforcement reports require substantial staff time and should be reduced to only those essential for public safety as opposed to research data collection. Local police are required to file reports on bias crimes, pursuits, statistical crimes, record expungement, alleged misconduct by officers, law enforcement accidents, license applications, reports on number and gender of officers, etc. The City does not oppose the intent of the mandate, but rather objects if it is unfunded or underfunded.</p>
