

Reis Township
Beltrami, MN. 56517
Polk County, MN

Resolution Exempting March Township Elections From Electronic
Voting:

Whereas: Reis Township generally has less than thirty (30) votes in a
March election and

Whereas: The time and cost of setting up the program and equipment
for electronic voting places
an unwarranted financial burden on the township's strained budget.

Therefore Be it Resolved, that the Town Board of Reis Township Polk
County request that the
state exempt local elections from the HAVA mandates and provide on-
going funding to operate,
store, maintain, and pay for programming costs for the machines for all
future elections.
