

<p>Eliminate the requirement for a pay equity system or at a minimum reduce the reporting requirement to every five (5) years.</p>	<p>471.999</p>	<p>This requirement does not affect State divisions; only local units of government. If this is an important requirement then all levels of government should be included. Also, changes in compensation will not generally occur within a shorter time frame of three (3) years.</p>
