| Eliminate vehicle pursuit training mandate for law enforcement training | 626.8458 | | Currently, peace officers are required to complete 16 hours of in-service or other training/year to maintain licensure. The local agency pays for the courses and for the release time. Local agencies and the POST Board supply training options. Vehicle pursuit is statutorily required (7Hrs in specific format) every 3 years. This cuts into other equally valuable training options | |
