

RESOLUTION 2006 –

WHEREAS Minnesota Statute §6.79 allows governments to submit to the State Auditor proposed reforms to state mandates; and; and

WHEREAS mandate proposals will be listed on the State Auditor's website along with the name of the local government submitting the proposal; and

WHEREAS the Winona County Board of Commissioners supports the concept of mandate reform and urges the Minnesota Legislature to give serious consideration to all proposals made by Cities, Townships, and Counties.

NOW, THEREFORE, BE IT RESOLVED that Winona County Board of Commissioners hereby adopts the following mandate proposals and directs the County Administrator to submit this listing to the State Auditor:

Mandate	Statutory Citation	Comments
Eliminate Library Maintenance of Effort	134.34	Eliminate the requirement that in order for libraries to receive state grant a county must budget for library operations an amount equal to the 2 nd prior year's level of support unless adjusted net tax capacity decreases. Counties need the ability to respond to changing priorities and needs. When one area of the budget is off limits to reductions, other programs or services and their recipients unfairly bear a disproportionately greater share of any cutbacks when they occur.

Adopted at Winona, Minnesota, this 7th day of February 2006.

WINONA COUNTY BOARD OF COMMISSIONERS
