## **Description of the Office of the State Auditor**

The mission of the State Auditor's Office is to oversee local government finances for Minnesota taxpayers by helping to ensure financial integrity and accountability in local governmental financial activities.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 160 financial and compliance audits per year and has oversight responsibilities for over 3,300 local units of government throughout the state. The office currently maintains five divisions:

**Audit Practice** - conducts financial and legal compliance audits of local governments;

**Government Information** - collects and analyzes financial information for cities, towns, counties, and special districts;

**Legal/Special Investigations** - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

**Pension** - monitors investment, financial, and actuarial reporting for approximately 730 public pension funds; and

**Tax Increment Financing** - promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employees Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

The Office of the State Auditor has completed its report on Federally Assisted Programs of Subrecipients of the State of Minnesota for the year ended June 30, 2007.

#### General

The State of Minnesota, as a recipient of federal funds, is responsible for assuring that its subrecipients of federal funds have audits in accordance with the Single Audit Act Amendments of 1996 and the Office of Management and Budget (OMB) Circular A-133.

This report on “Federally Assisted Programs of Subrecipients of the State of Minnesota” for the fiscal year ended June 30, 2007, is prepared to demonstrate the State of Minnesota’s compliance with the requirement for audit of federal funds granted to its subrecipients.

This report represents a compilation of financial and compliance information pertaining to federal grants. The data has been obtained from audited financial statements of subrecipients submitted to this office. Subrecipients covered in this report include cities, counties, nonprofit

agencies, regional development commissions, school districts and related agencies, tribal governments, and other local units of government in Minnesota.

### Memorandum of Understanding

In April 1983, a Memorandum of Understanding (Memorandum) was signed that documented the arrangement for conducting a single audit of federal funds awarded directly to the State of Minnesota and expended either by the State or an authorized subrecipient. This Memorandum remains in effect for the current-year single audit report of the State of Minnesota.

The Memorandum outlines the broad issues agreed to, as well as the specific responsibilities of each party. The parties participating in the Memorandum and their duties are:

- The Minnesota Department of Finance serves as the lead state agency, representing all Minnesota state agencies receiving federal funds, and coordinates single audit requirements.
- The Minnesota Office of the Legislative Auditor performs the statewide single audit and prepares the audit report at the state level.
- The U.S. Department of Agriculture - Office of the Inspector General serves as the lead cognizant audit agency, representing all federal agencies awarding funds to the State of Minnesota, and serves as liaison with the other parties participating in the Memorandum and federal agencies.
- The Minnesota Office of the State Auditor monitors subrecipient audits by reviewing audit reports for timeliness and compliance with federal reporting standards. Subrecipient audit reports are considered acceptable when they include the reporting elements required by *Government Auditing Standards*, issued by the Comptroller General of the United States; by the American Institute of Certified Public Accountants; by the Single Audit Act Amendments of 1996; and by Office of Management and Budget (OMB) Circular A-133. The Office prepares this summary report, which includes expenditures of federal awards by subrecipients, along with their auditor's questioned costs and noncompliance findings. This summary report is provided to the other parties of the Memorandum.

### Review of Subrecipient Audit Reports

For the fiscal year ended June 30, 2007, 437 entities were determined to have received sufficient federal funds from the State of Minnesota to require them to submit audited financial statements. Not all subrecipients submitted audited financial statements in time to be included in this report.

Audits expected and audits received, by type, are:

	Total	Received	Failed to Report	Not Received in Time for Publication
Cities	61	61	-	-
Counties	78	78	-	-
Nonprofit Agencies	77	60	7	10
Other Governmental Agencies	20	15	2	3
Regional Development Commissions	6	5	-	1
Schools and Related Agencies	187	183	4	-
Tribal Governments	8	5	3	-
Totals	437	407	16	14
Percent	100%	93%	4%	3%

### Significant Items

To be included in this report, financial statements must have been received by February 12, 2008. The Single Audit Act requires governments to file their single audit reports within nine months of year end; therefore, governmental entities with fiscal years ending May 12, 2007, or earlier, should have filed their financial statements in time for this report. In addition, the State requires school districts to file their financial statements by December 31. Sixteen entities failed to report in compliance with these requirements. An additional fourteen reports were not received in time for this publication reflecting the fact that entities (other than schools) with fiscal years ending between May 13 and July 1, 2006, may have reporting deadlines extending beyond the publication date of this report.

### Contents of This Report

This report contains six exhibits. The exhibits contain information included in audited financial statements of subrecipients having fiscal year-ends between July 1, 2006, and June 30, 2007. The resolution of questioned costs, noncompliance, and crosscutting findings is the responsibility of the administering agency. The exhibits are:

#### Exhibit 1 Questioned Costs

Exhibit 1 is a summary of questioned costs by administrative agency. For each questioned cost the exhibit lists the subrecipient entity, the Catalog of Federal Domestic Assistance (CFDA) number, and the reason for and the amount of the questioned costs.

#### Exhibit 2 Expenditures of Federal Awards by CFDA Number

Exhibit 2 is a summary of expenditures of federal awards by CFDA number and by the administering agency type--direct federal or passed through the state or other agency.

Exhibit 3 Expenditures of Federal Awards by Entity

Exhibit 3 is a summary of expenditures of federal awards by subrecipient entity and the administrative agency type--direct federal or passed through the state or other agency. Also shown are those entities that were to file a single audit report and did not. The exhibit identifies whether the entity's audit report is acceptable; that is, if the audit report contains all reporting elements required by applicable auditing standards.

Exhibit 4 Expenditures of Federal Awards by Administering Agency

Exhibit 4 is a summary of expenditures of federal awards by the administrative agency and a breakdown of those agencies by the subrecipient entities and CFDA numbers. Also indicated are federal or nonfederal crosscutting findings or grant noncompliance (refer to Exhibits 5 and 6 for detailed crosscutting findings). The exhibit also identifies if the entity's audit report is acceptable.

Exhibit 5 Summary of Nonfederal Crosscutting Findings by Agency Type

Exhibit 5 is a summary of nonfederal crosscutting findings by entity. A nonfederal crosscutting finding is non-monetary and does not pertain to federal programs.

Exhibit 6 Summary of Federal Crosscutting Findings by Agency Type

Exhibit 6 is a summary of federal crosscutting findings by entity. A federal crosscutting finding is non-monetary and does not pertain to a specific federal program.

For detail regarding information in these exhibits, the audit report should be reviewed or the subrecipient should be contacted.

Report Distribution

This report will be distributed to:

- U.S. Department of Agriculture, the cognizant agency for the State of Minnesota;
- Grantor agencies of the federal government;
- State of Minnesota agencies that subgranted federal funds on a pass-through basis;
- Selected local agencies that subgranted federal funds on a pass-through basis; and other interested organizations.

## **EXHIBIT 3**

### **EXPENDITURES OF FEDERAL AWARDS BY SUBRECIPIENT ENTITY**

The following exhibit is a summary of expenditures of federal awards by subrecipient entities by type—cities, counties, nonprofit agencies, other governmental agencies, regional development commissions, schools and related agencies, and tribal governments. The federal award expenditures for each entity are summarized by the administering agency type—direct federal or passed through the state or another agency. The exhibit defines if the entity’s audit report is in accordance with the reporting elements required by generally accepted governmental auditing standards and OMB Circular A-133. Also presented are entities which were to file an audit but did not.

### **EXPENDITURES OF FEDERAL AWARDS BY ADMINISTERING AGENCY**

The following exhibit is a summary of expenditures of federal awards by administering agency, followed by a detailed breakdown for each administering agency by subrecipient entities and CFDA numbers. The detailed breakdown identifies if the entity's audit report is in accordance with the reporting elements required by generally accepted governmental auditing standards and OMB Circular A-133. The detailed breakdown also indicates if the entity's audit report identifies any crosscutting findings or grant noncompliance. Exhibits 5 and 6 indicate the type of crosscutting findings. The resolution of crosscutting findings and grant noncompliance is the responsibility of administering agency.

## **EXHIBIT 5**

### **NONFEDERAL CROSSCUTTING FINDINGS**

The following exhibit is a summary of nonfederal crosscutting findings by subrecipient entity. A nonfederal crosscutting finding is a finding that does not pertain to federal programs. The finding is reported in the independent auditor's report on internal control over financial reporting based on an audit of financial statements performed in accordance with government auditing standards. This exhibit is a complement to Exhibit 4 as it categorizes the crosscutting findings. Findings are classified into one of the following categories:

- Financial reporting (including audit adjustments and prior period restatements)
- Cash management/revenues (receivables, investments, etc.)
- Expenditures (purchasing, payroll, etc.)
- Capital assets
- State and local compliance (claims and disbursements, contracting and bidding, deposits and investments, public indebtedness, conflicts of interest, other)
- Security for bank deposits
- Segregation of duties
- General administration, adequacy/propriety of procedures

The resolution of crosscutting findings is the responsibility of the administering agency.

## **EXHIBIT 6**

### **FEDERAL CROSSCUTTING FINDINGS**

The following exhibit is a summary of federal crosscutting findings by subrecipient entity. A federal crosscutting finding is a non-monetary finding not specifically identified by CFDA number that may affect more than one federal program. The finding is reported in the independent auditor's report on compliance with requirements applicable to each major program and internal control over compliance in accordance with OMB Circular A-133. This exhibit is a complement to Exhibit 4 as it categorizes the crosscutting findings. Findings are classified into one of the following categories:

- Capital assets
- General administration, adequacy/propriety of procedures
- Segregation of duties
- Financial reporting

The resolution of crosscutting findings is the responsibility of the administering agency.
