# 1997 Criminal Forfeitures

## Overview

Minnesota criminal statutes direct law enforcement agencies to report three different types of forfeitures to the Office of the State Auditor: criminal forfeitures, firearm forfeitures, and DUI-related forfeitures.<sup>1</sup> This report provides information on the amount of money, weapons, and property forfeited in 1997.

## Summary of 1997 Criminal Forfeitures

In 1997, 60 Minnesota law enforcement agencies reported a total of 1,313 criminal forfeitures to the Office of the State Auditor.<sup>2</sup> There were 95 fewer criminal forfeitures reported in 1997 than in 1996. The amount of cash forfeited and the gross sales of forfeited property totaled \$1,968,830; administrative expenses and lien holders obligations totaled \$54,924; and net proceeds totaled \$1,913,906. Gross sales of forfeited property decreased 1.9 percent, and net proceeds decreased 1.8 percent between 1996 and 1997.

*Net proceeds from criminal forfeitures totaled \$1,913,906 in 1997, down 1.8 percent from 1996.*

Net proceeds involving cash or forfeited property which were sold ranged from negative \$102 to \$143,528.<sup>3</sup> Net proceeds per forfeiture averaged \$1,458 in 1997; up from \$1,432 in 1996. Of the 1,313 criminal forfeiture incidents in which the agency received cash or sold the forfeited property:

- ! 248 or 18.9 percent recognized net proceeds of less than \$100;
- ! 468 or 35.6 percent recognized net proceeds of \$100 to \$499;
- ! 253 or 19.3 percent recognized net proceeds of \$500 to \$999;
- ! 287 or 21.9 percent recognized net proceeds of \$1,000 to \$4,999; and,

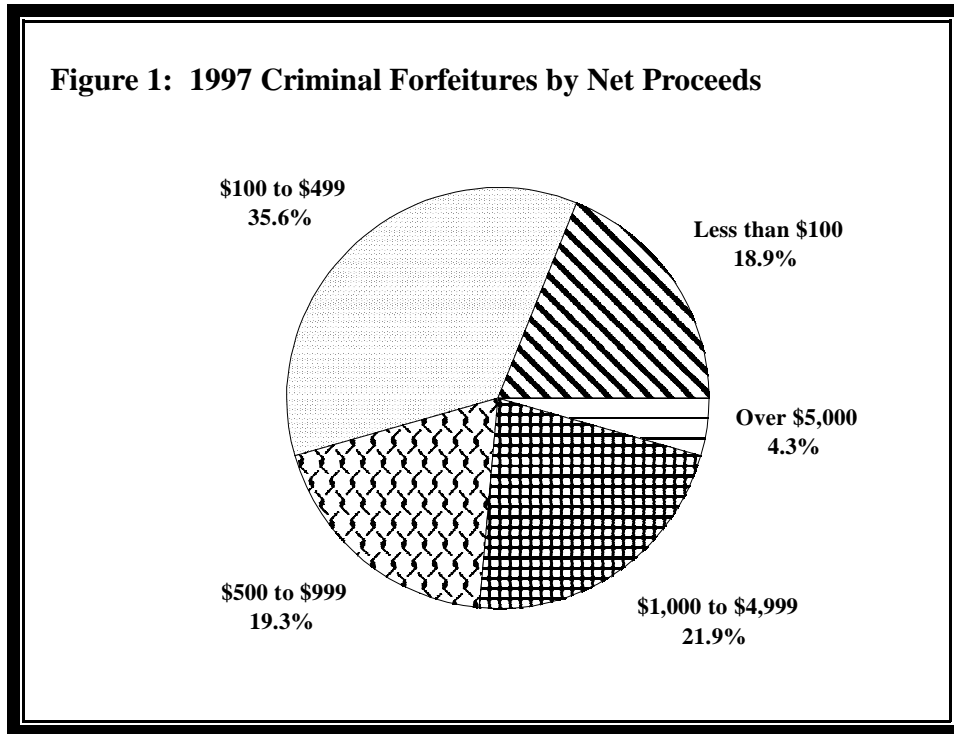

---

<sup>1</sup> Criminal and firearm forfeitures are authorized in Minnesota Statutes §§ 609.531-609.5317, while DUI-related forfeitures are authorized in Minnesota Statutes §§ 84.912, 86b.33, and 169.1217.

<sup>2</sup> This figure represents forfeitures of cash, or those in which the property was sold, destroyed, retained or forwarded to a federal agency. Forfeitures which resulted from DUI-related offenses or involved firearms, are discussed later in this report.

<sup>3</sup> Net proceeds may be negative if the payment of administrative costs and satisfaction of valid liens against the property exceed the value of the cash or property forfeited.

! 57 or 4.3 percent recognized net proceeds of \$5,000 or more.

### **Types of Crimes and Forfeited Property**

Criminal activity involving a controlled substance accounted for 1,301 of the 1,313 forfeitures reported in 1997. The remaining 12 forfeitures involved illegal gambling, theft, and assault. Cash was the predominant form of property seized (74.9 percent), followed by jewelry (19.0 percent), cars, boats and motorcycles (5.8 percent), and other items (0.3 percent).

### **State Proceeds From Criminal Forfeitures**

Pursuant to Minnesota Statutes § 609.5315, Subd. 5, cash or proceeds from the sale of forfeited property, after administrative expenses and payment of liens, are distributed in the following manner: 70 percent to the appropriate law enforcement agency; 20 percent to the county attorney or other prosecuting agency that handled the forfeiture; and 10 percent to the state treasurer.

Based on the distribution formula and the net proceeds reported by law enforcement agencies in 1997, \$191,391 was forwarded to the State of Minnesota.

## **Criminal Forfeiture Activity By Law Enforcement Agency**

Sixty different law enforcement agencies reported criminal forfeiture incidents during the 1997 reporting period, ten fewer than in 1996. The law enforcement agencies reporting in 1997 included county sheriff departments, city police departments, various drug task forces, the Minnesota Bureau of Criminal Apprehension, and the Minnesota State Patrol.

*The Minneapolis Police Department reported the greatest number of criminal forfeitures in 1997 with 660 incidents.*

Criminal forfeitures are an infrequent occurrence for most law enforcement agencies. In fact, 41 law enforcement agencies reported fewer than 10 forfeitures during the reporting period. The Minneapolis Police Department reported the largest number of forfeitures with 660, followed by the St. Paul Police Department with 118, and the Hennepin County Sheriff's Department with 67.

The Minneapolis Police Department increased the number of forfeitures by 4 percent between 1996 and 1997. In spite of this, the average net proceed per forfeiture decreased from \$1,193 to \$1,180.

## **Forfeited Property Destroyed, Retained Or Forwarded To Another Agency**

In addition to selling forfeited property, law enforcement agencies have the authority to destroy property that is harmful to the public, to retain property for official use by the agency, or forward property to a federal agency (usually the Drug Enforcement Administration). The value of property used for law enforcement is not included in the net proceeds of criminal forfeitures or the funds transmitted to the State Treasurer until the property is sold.

In 1997, an estimated \$20,340 in forfeited property was destroyed, retained or forwarded to a federal agency. This represents a decrease of 70.0 percent from the amount reported in 1996. Law enforcement agencies retained a variety of motor vehicles and firearms for official agency use.

## **Property Or Proceeds Shared With Another Agency**

Law enforcement agencies frequently work together, especially on drug-related offenses. Law enforcement agencies working on a case often share the cash proceeds from drug-related criminal forfeitures. In 1997, 14 agencies shared with other agencies property or proceeds seized in 739 criminal forfeiture incidents. Three interagency drug task forces reported sharing proceeds. For example, the South Metro Drug Task Force shares the proceeds of its cash forfeitures with five separate law enforcement agencies which are members of the task force.

## **Summary of 1997 Firearm Forfeitures**

In 1997, 25 law enforcement agencies reported a total of 1,272 firearm forfeitures to the Office of the State Auditor.<sup>4</sup> Pursuant to Minnesota Statutes § 609.5315, Subd. 2, law enforcement agencies are prohibited from selling or trading seized firearms, but they are authorized to destroy, retain or return seized weapons.

### **Types of Weapons Forfeited**

The weapons forfeited in 1997 were predominantly (listed in descending order by number of forfeitures) 12 gauge shotguns, .22 caliber handguns, .25 caliber handguns, .38 caliber handguns. Of the 1,272 weapons forfeited in 1997, 54.6 percent were handguns, 17.9 percent were shotguns, 10.4 percent were rifles, and 17.1 percent were other types or unknown.

---

<sup>4</sup> For a more detailed analysis of firearm forfeitures, please see the MN Planning report entitled, *Gun Points: 1997 Firearm Forfeitures in Minnesota*.

## **Reason for Firearm Seizures**

Crimes such as assault, theft, homicide, and possession of a controlled substance were associated with 37.3 percent of all firearm forfeitures. Abandoned or found (27.0 percent) and illegal firearm possession (15.3 percent) were the next two most common reasons for firearm seizures.

Firearm forfeitures by the Minneapolis Police Department (648), and the St. Paul Police Department (400), accounted for 82.4 percent of the reported firearm forfeitures in 1997.

## **Driving Under the Influence (DUI) Related Forfeitures**

Pursuant to Minnesota Statutes § 196.21, law enforcement officials are directed to seize and forfeit automobiles, boats, snowmobiles, and all-terrain vehicles of repeat DUI offenders.<sup>5</sup> During 1997, 14 law enforcement agencies reported a total of 48 forfeitures using the DUI forfeiture law. The Scott County Sheriff's Department reported the greatest number of DUI-related forfeitures with eight, followed by the Rochester Police Department with seven, and the Olmsted County Sheriff's Department with six. All others reported five or fewer forfeitures. The 48 forfeitures reported in 1997 resulted in net proceeds of \$37,725, which is an average net proceed of \$786.<sup>6</sup>

---

<sup>5</sup> Vehicles are subject to forfeiture when the owner is convicted of three DUI's within five years or four DUI's within 15 years.

<sup>6</sup> Net proceeds from DUI-related forfeitures are forwarded to the agency responsible for the forfeiture and are to be used for DUI-related enforcement, training, and education.

## Scope and Methodology

This report details criminal forfeitures, firearm forfeitures and DUI-related forfeitures completed in 1997 pursuant to Minnesota Statutes §§ 609.531 to 609.5317; 84.912; 86b.337; and, 169.1217. The report provides information on the amount of money, weapons and property seized by Minnesota law enforcement officers.<sup>7</sup>

The statutes direct law enforcement agencies to provide, on a monthly basis, (and on an annual basis for DUI-related forfeitures) a written record of each forfeiture incident to the State Auditor. The law enforcement agencies reporting include the Minnesota Bureau of Criminal Apprehension, Minnesota State Patrol, county sheriff departments, and city police departments.

Information is reported on the value of cash, gross sales of forfeited property, administrative expenses, lien holders' obligations, net proceeds, and disposition of property. Net proceeds are defined as proceeds from the sale of forfeited property after payment of administrative costs and satisfaction of valid liens against the property. Law enforcement agencies report forfeitures completed during the reporting period.<sup>8</sup> The actual seizure of property, which usually happens at the time of arrest, could have occurred before January 1, 1997, the beginning of the 1997 reporting period.

---

<sup>7</sup> Law enforcement authorities may also use federal statutes as a means of compelling the forfeiture of cash and property. In fact, many forfeitures of large amounts of cash and valuable property are based on federal statutes and, therefore, are not identified in this report.

<sup>8</sup> Property seized under Minnesota Statutes §§ 609.531 to 609.5317 is subject to the orders and decrees of the court having jurisdiction over the forfeiture proceedings. Property seized in connection with a controlled substance offense is subject to administrative forfeiture procedures. The owner(s) of the seized property must be given written notice of the seizure, the intent to forfeit the property and the right to obtain judicial review of the forfeiture. The court may order the return of seized property or find that the property is subject to forfeiture. If the forfeiture of property is related to controlled substances, the court may not issue an order of forfeiture while the alleged owner of the property is in custody and the related criminal proceedings are pending against the alleged owner. Forfeitures are not complete until all related judicial and administrative proceedings have been completed.

## BACKGROUND

State laws governing property that is subject to criminal forfeiture proceedings, and the actual disposition of the forfeited property, have changed considerably since their inception in 1971.

- ! In 1971, the Legislature authorized a law enforcement agency making an arrest involving a controlled substance to seize property associated with the use or transportation of the controlled substance. Upon conviction of the offense, the individual forfeited the seized property to the local law enforcement agency. Legislation authorized the local law enforcement agency to use forfeited property for law enforcement purposes, sell the property and use the proceeds of the sale for authorized agency activities, and destroy forfeited contraband.
- ! In 1973, the Legislature authorized the seizure and subsequent forfeiture of money that was deemed to be related to the commission of an offense involving a controlled substance. The 1973 law prescribed a more detailed process for criminal forfeitures. It also directed that half of all proceeds from the sale of forfeited property, and half of all of the forfeited cash, be forwarded to the state drug abuse authority. The state drug abuse authority was directed to use its share of the proceeds for the care and treatment of individuals with drug-related disorders. The remaining half of the proceeds from the sale of forfeited property would continue to be used by the local law enforcement agency.
- ! In 1984, the Legislature expanded the items that are subject to criminal forfeiture to include all moneys, precious metals, gems, negotiable instruments, securities and property or things of value. The 1984 law further stipulated that "all moneys, precious metals, and gems found in proximity to controlled substances or in proximity to any equipment or records pertaining to a controlled substance, are subject to forfeiture." It also revised the formula for distributing forfeited cash and the net proceeds from the sale of forfeited property. Under the 1984 revision, the state retained one-third of the cash and net proceeds for the care and treatment of individuals with drug-related disorders. The remaining two-thirds of the net proceeds were to be shared equally between the law enforcement agency making the initial arrest and the prosecuting agency.
- ! In 1988, the Legislature significantly expanded the list of criminal offenses which included the potential for forfeiture of cash and personal property. In addition to forfeitures related to offenses involving a controlled substance, the Legislature authorized forfeitures of cash and property related to the commission of a variety of other criminal offenses, including: murder, aggravated assault, criminal sexual conduct, criminal vehicular homicide, robbery, kidnaping, prostitution, bribery, fraud, and theft. The 1988 law also amended the formula used to distribute forfeited cash and the proceeds from the sale of forfeited property. The new formula directed that 70 percent of the cash and net proceeds be used by the law enforcement agency initiating the forfeiture action, 20 percent of the cash and net proceeds be distributed to the prosecuting agency, and the remaining ten percent of the cash and net proceeds be forwarded to the state for deposit in the state's general fund.
- ! In 1992, legislative interest in the nature and extent of criminal forfeitures increased throughout the state. This increased interest resulted in a legislatively-imposed requirement

that law enforcement agencies report all criminal forfeitures to the Office of the State Auditor. Monthly reports to the auditor "shall include the amount forfeited, date, and a brief description of the circumstances involved." (See Attachment A for a copy of the reporting form.)

- ! In 1993, the Legislature passed legislation that forbids law enforcement agencies from selling forfeited firearms. The provision requires that all forfeited weapons, ammunition, and firearm accessories be destroyed unless they are retained for law enforcement purposes.
- ! In 1994, the Legislature amended the forfeiture statutes to require law enforcement agencies to report to the State Auditor "the number of firearms forfeited and the make, model, and serial number of each firearm forfeited." (See Attachment B for a copy of the reporting form.)
- ! In 1995, the Legislature expanded DUI-related forfeiture statutes to include offenses involving snowmobiles, all-terrain vehicles, boats and automobiles. A vehicle used in an incident that results in a third impaired driving conviction in five years or a fourth conviction within fifteen years is subject to forfeiture. The legislation also requires law enforcement agencies to report these forfeitures to the Office of the State Auditor on an annual basis. (See Attachment C for a copy of the reporting form.)

# Instructions for reporting firearm forfeitures

In 1994 the Minnesota Legislature mandated the State Auditor's Office to collect firearm forfeiture data from Minnesota law enforcement agencies. The State Auditor's Office aggregates forfeiture data by jurisdiction and sends computer files to the Criminal Justice Center at Minnesota Planning for analysis. This information is used by policy makers for firearm legislation.

**IF NO FIREARM IS FORFEITED, DO NOT RETURN A FORM TO THE STATE AUDITOR'S OFFICE.** The firearm forfeiture reporting form should be used as a master copy by your agency. Each month make a copy of this form, record all firearm forfeitures completed in that month and return the form(s) to the State Auditor's Office by the 20th day of the following month. For example, a listing of forfeitures completed in January is due by February 20th.

**NOTE.** for the purpose of this report, a firearm is forfeited if:

- + Destroyed
- + Retained for law enforcement purposes
- + The agency, in accordance with the law, finds good reason not to destroy the firearm.

**Firearms returned to the lawful owner and not retained or forfeited should not be reported.**

Problems or questions about these instructions or the reporting form should be directed to either:
