YEAR ENDED DECEMBER 31, 2009

Description of the Office of the State Auditor

The mission of the Office of the State Auditor is to oversee local government finances for Minnesota taxpayers by helping to ensure financial integrity and accountability in local governmental financial activities.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 160 financial and compliance audits per year and has oversight responsibilities for over 3,300 local units of government throughout the state. The office currently maintains five divisions:

Audit Practice - conducts financial and legal compliance audits of local governments;

Government Information - collects and analyzes financial information for cities, towns, counties, and special districts;

Legal/Special Investigations - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

Pension - monitors investment, financial, and actuarial reporting for approximately 730 public pension funds; and

Tax Increment Financing - promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employees Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

Schedule 1

SCHEDULE OF FINDINGS AND QUESTIONED COSTS
FOR THE YEAR ENDED DECEMBER 31, 2009

I. SUMMARY OF AUDITOR'S RESULTS

- A. Our report expresses unqualified opinions on the basic financial statements of the Housing and Redevelopment Authority (HRA) of the City of Saint Paul, a component unit of the City of Saint Paul.
- B. No matters involving internal control over financial reporting were reported in the "Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*."
- C. No instances of noncompliance material to the financial statements of the HRA were disclosed during the audit.
- D. No matters involving internal control over compliance relating to the audit of the major federal award program were reported in the "Report on Compliance with Requirements Applicable to Each Major Program and Internal Control Over Compliance in Accordance with OMB Circular A-133."
- E. The Auditor's Report on Compliance for the major federal award program for the HRA expresses an unqualified opinion.
- F. No findings were disclosed that are required to be reported in accordance with Section 510(a) of OMB Circular A-133.
- G. The major program is:
 - HOME Investment Partnerships Program CFDA #14.239
- H. The threshold for distinguishing between Types A and B programs was \$300,000.
- I. The HRA was not determined to be a low-risk auditee.

II. FINDINGS RELATED TO FINANCIAL STATEMENTS AUDITED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

INTERNAL CONTROL

PREVIOUSLY REPORTED ITEMS RESOLVED

Notes and Loans Receivable (07-1)

Audit confirmations for notes and loans receivable noted discrepancies between what the borrowers stated as their principal balance and the balance that the HRA had recorded on the Nortridge System as of the same date. The discrepancies were due to forgiveness of loans not adequately communicated between HRA staff and thus properly adjusted in the accounting records.

Resolution

No significant discrepancies of principal balances for notes and loans receivable between those confirmed with the borrowers and those recorded in the Nortridge System were identified during the 2009 audit.

Audit Adjustments (07-2)

Audit adjustments were made that resulted in significant changes to the HRA's financial statements.

Resolution

No material audit adjustments were identified during the 2009 audit.

Land Held for Resale (08-1)

Due to inadequate review by HRA staff of property valuation records for land held for resale, a revaluation error was not detected, resulting in an audit adjustment.

Resolution

No material inaccuracies in property valuation were identified during the 2009 audit.

III. FINDINGS AND QUESTIONED COSTS FOR FEDERAL AWARD PROGRAMS

None.

IV. OTHER FINDINGS AND RECOMMENDATIONS

OTHER ITEM FOR CONSIDERATION

GASB Statement 54

The Governmental Accounting Standards Board (GASB) recently issued Statement No. 54, *Fund Balance Reporting and Governmental Fund Type Definitions*. The intention of this standard is to enhance the usefulness of information included in the financial report about fund balance through clearer fund balance classifications that can be more consistently applied, as well as to clarify existing governmental fund type definitions.

Fund Balance Reporting

Statement 54 establishes new fund balance classifications based on constraints imposed on how resources can be spent. The existing components of fund balance reserved, unreserved, designated, and undesignated are being replaced by nonspendable, restricted, committed, assigned, and unassigned as defined below:

- *Nonspendable* - represents amounts that cannot be spent because they are either not in spendable form (ex. inventory and prepaids) or legally or contractually required to be maintained intact (ex. corpus of a permanent fund).
- *Restricted* - amounts that can be spent only for the specific purposes stipulated by constitution, external resource providers, or through enabling legislation.
- *Committed* - amounts that can be used only for specific purposes determined by a formal action of a government's highest level of decision-making authority.
- *Assigned* - amounts a government intends to use for a specific purpose that do not meet the criteria to be classified as restricted or committed.
- *Unassigned* - spendable amounts not contained in the other classifications.

Governmental Fund Type Definitions

The definitions of the general fund, special revenue fund type, capital projects fund type, debt service fund type, and permanent fund type are clarified in Statement 54. Interpretations of certain terms within the definition of the special revenue fund type have been provided and, for some governments, those interpretations may affect the activities they choose to report in those funds. The capital projects fund type definition also was clarified for better alignment with the needs of preparers and users. Definitions of other governmental fund types also have been modified for clarity and consistency.

The requirements of GASB Statement 54 are effective for the HRA for the year ending December 31, 2011.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Commissioners of the Housing and Redevelopment
Authority of the City of Saint Paul
Saint Paul, Minnesota

We have audited the financial statements of the governmental activities, the business-type activities, and each major fund of the Housing and Redevelopment Authority (HRA) of the City of Saint Paul, a component unit of the City of Saint Paul, as of and for the year ended December 31, 2009, which collectively comprise the HRA's basic financial statements, and have issued our report thereon dated June 21, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the HRA's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the HRA's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the HRA's internal control over financial reporting.

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the HRA's financial statements will not be prevented or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the HRA's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Minnesota Legal Compliance

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the provisions of the *Minnesota Legal Compliance Audit Guide for Local Government*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65. Accordingly, the audit included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The *Minnesota Legal Compliance Audit Guide for Local Government* contains seven categories of compliance to be tested: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, claims and disbursements, miscellaneous provisions, and tax increment financing. The listed categories were tested in conjunction with the audit of the financial statements of the City of Saint Paul.

Included in the Schedule of Findings and Questioned Costs is an other item for consideration. We believe this information to be of benefit to the HRA, and it is reported for that purpose.

This report is intended solely for the information and use of the HRA's Board, management, others within the HRA, and federal awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than those specified parties.

REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Commissioners of the Housing and Redevelopment
Authority of the City of Saint Paul
Saint Paul, Minnesota

Compliance

We have audited the compliance of the Housing and Redevelopment Authority (HRA) of the City of Saint Paul, a component unit of the City of Saint Paul, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to its major federal program for the year ended December 31, 2009. The HRA's major federal program is identified in the Summary of Auditor's Results section of the accompanying Schedule of Findings and Questioned Costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to its major federal program is the responsibility of the HRA's management. Our responsibility is to express an opinion on the HRA's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the HRA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the HRA's compliance with those requirements.

In our opinion, the HRA complied, in all material respects, with the requirements referred to above that are applicable to its major federal program for the year ended December 31, 2009.

Internal Control Over Compliance

Management of the HRA is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered the HRA's internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the HRA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

Schedule of Expenditures of Federal Awards

We have audited the financial statements of the governmental activities, the business-type activities, and each major fund of the HRA of the City of Saint Paul as of and for the year ended December 31, 2009, which collectively comprise the HRA's basic financial statements, and have issued our report thereon dated June 21, 2010. Our audit was performed for the purpose of forming opinions on the HRA's financial statements that collectively comprise the HRA's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the HRA's Board, management, others within the HRA, and federal awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than those specified parties.

SAINT PAUL, MINNESOTA**

**NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
FOR THE YEAR ENDED DECEMBER 31, 2009**

1. Reporting Entity

The Schedule of Expenditures of Federal Awards presents the activities of federal award programs expended by the Housing and Redevelopment Authority (HRA) of the City of Saint Paul, a blended component unit of the City of Saint Paul. The HRA's reporting entity is defined in Note 1 to the financial statements.

2. Basis of Presentation

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the HRA under programs of the federal government for the year ended December 31, 2009. The information in this schedule is presented in accordance with the requirements of Office of Management and Budget (OMB) Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the schedule presents only a selected portion of the operations of the HRA, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the HRA.

3. Summary of Significant Accounting Policies

Expenditures reported on the schedule are reported on the basis of accounting used by the individual funds of the HRA. Governmental funds use the modified accrual basis of accounting. Proprietary funds use the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in OMB Circular A-87, *Cost Principles for State, Local and Indian Tribal Governments*, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through grant numbers were not assigned by the pass-through agencies.

4. Subrecipients

Of the expenditures presented in the schedule, the HRA provided federal awards to subrecipients as follows:

<u>CFDA Number</u>	<u>Program Name</u>	<u>Amount Provided to Subrecipients</u>
14.239	HOME Investment Partnerships Program	\$ 942,930
