## **IMPORTANT INFORMATION ABOUT THIS GUIDE**

This guide is intended only for use by a **defined-benefit lump-sum** volunteer fire relief association **affiliated with a town fire department**. Additional bylaw guides for other types of relief associations are provided on the Office of the State Auditor's website.

This document is provided for a volunteer fire relief association's board of trustees to use as a guide in developing, updating, and revising bylaws customized for its association. The bylaw provisions within this guide are intended to assist a relief association in meeting its minimum statutory requirements, and to provide the framework for developing custom bylaws. In general, a member's benefits are based on the bylaws in effect on the date of the member's separation from active fire department service and relief association membership. The bylaw provisions are subject to revision.

This bylaw guide is not all inclusive. Areas not included in this guide that a relief association may wish to address include combined service pensions for firefighters with service in more than one volunteer fire department, charitable gambling funds, and disability benefit qualification. Those using this guide should be sure to read the footnotes, which contain additional important information.

This guide is designed to allow you to choose among alternative provisions. You may use language that differs from the language in this guide. We strongly urge you to have your bylaws reviewed by legal counsel. **It is your relief association's responsibility to comply with current law.**

You **MUST READ AND APPLY THE RELEVANT MINNESOTA STATUTES** to determine the proper course of action when making a decision. Minnesota statutes are available online at: <https://www.revisor.mn.gov/pubs/>. This guide is not legal advice, and should not be relied upon as legal advice. Relief associations should consult their legal counsel with any questions regarding law, including Minnesota statutes and this guide.

This Bylaw Guide is provided for use in developing custom relief association bylaws for  
your defined-benefit lump-sum plan
