Description of the Office of the State Auditor

The Office of the State Auditor serves as a watchdog for Minnesota taxpayers by helping to ensure financial integrity, accountability, and cost-effectiveness in local governments throughout the state.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 250 financial and compliance audits per year and has oversight responsibilities for over 4,300 local units of government throughout the state. The office currently maintains five divisions:

Audit Practice - conducts financial and legal compliance audits for local governments;

Government Information - collects and analyzes financial information for cities, towns, counties, and special districts;

Legal/Special Investigations - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

Pension - monitors investment, financial, and actuarial reporting for over 700 public pension funds; and

Tax Increment Financing, Investment and Finance - promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employee's Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

INDEPENDENT AUDITOR'S REPORT

Metropolitan Council of the Twin Cities Area
Saint Paul, Minnesota

We have audited the financial statements of the Metropolitan Council, a component unit of the State of Minnesota, as of and for the year ended December 31, 2005, and have issued our report thereon dated May 31, 2006. The financial statements are the responsibility of the Metropolitan Council's management. Our responsibility is to express opinions on the financial statements based on our audit.

Our audit was made for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements of the Metropolitan Council. The accompanying Financial Data Schedule is presented for purposes of additional analysis as required by the U.S. Department of Housing and Urban Development (HUD), Real Estate Assessment Center (REAC), and is not a required part of the basic financial statements. Information on the Financial Data Schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the management and members of the Metropolitan Council and HUD REAC and is not intended to be, and should not be, used by anyone other than those specified parties.
