

**MARKET VALUE HOMESTEAD CREDIT (MVHC) DISTRIBUTION SPREADSHEET**

MVHC was paid to TIF Authorities between December 26 and December 31, 2007 from the Department of Revenue via electronic transfer. Since the transfer does not have information regarding which districts are receiving this credit nor the amount of the credit per district, this spreadsheet is being sent to each authority for their records and accounting purposes. MVHC is tax increment revenue and should be deposited into the respective TIF district fund as identified in this spreadsheet. MVHC is then reported on Line #27 of the TIF District reporting form for each TIF District receiving this credit. If you have any questions, please contact **Marsha Pattison at (651) 296-4716 or by email at Marsha.Pattison@state.mn.us.**
