The resolution of federal questioned costs, noncompliance, and nonfederal findings is the responsibility of the State administering agency.

The exhibits are:

- Exhibit 1    Questioned Costs  
Exhibit 1 is a summary of questioned costs by state administrative agency. For each questioned cost, the exhibit lists the subrecipient entity, the Assistance Listing Number, and the reason for and the amount of the questioned costs.

The exhibit identifies whether the entity’s audit report is acceptable; that is, if the audit report contains all reporting elements required by applicable auditing standards.

- Exhibit 4 Expenditures of Federal Awards by Administering Agency  
Exhibit 4 is a summary of expenditures of federal awards passed through the State by the administering agency and a breakdown of those agencies by the subrecipient entities and Assistance Listing Numbers. #### **EXPENDITURES OF FEDERAL AWARDS PASSED THROUGH THE STATE BY SUBRECIPIENT ENTITY**

The following exhibit is a summary of expenditures of federal awards passed through the State to subrecipient entities by type of entity—cities, counties, nonprofit agencies, other governmental agencies, regional development commissions, schools and related agencies, and tribal governments. The exhibit shows whether the entity's audit report is in accordance with the reporting elements required by generally accepted governmental auditing standards and the Uniform Guidance. Also presented are entities which were required to file a single audit report but did not.

### **EXPENDITURES OF FEDERAL AWARDS PASSED THROUGH THE STATE BY ADMINISTERING STATE AGENCY**

The following exhibit starts with a summary of expenditures of federal awards passed through the State by administering agency, followed by a detailed breakdown for each administering state agency by subrecipient entities and Assistance Listing Numbers. The detailed breakdown identifies whether the entity's audit report is in accordance with the reporting elements required by generally accepted governmental auditing standards and the Uniform Guidance. The detailed breakdown also indicates whether the entity's audit report identifies any nonfederal findings or grant noncompliance. Exhibit 5 reports the type of nonfederal findings. The resolution of grant noncompliance is the responsibility of the administering state agency.

## EXHIBIT 6

### SUMMARY OF FEDERAL CROSSCUTTING FINDINGS

The following exhibit is a summary of federal crosscutting findings by subrecipient entity. Federal crosscutting findings are non-monetary findings not specifically identified by Assistance Listing Number that may affect more than one federal program. The finding is reported in the independent auditor's report on compliance with requirements applicable to each major program and internal control over compliance in accordance with the Uniform Guidance. This exhibit is a complement to Exhibit 4 as it categorizes the crosscutting findings. Findings are classified into one of the following categories:

- Expenditures
- General administration, adequacy/propriety of procedures
- Segregation of duties
- Financial reporting

The resolution of crosscutting findings is the responsibility of the administering state agency.
