

RESOLUTION

Reporting Performance Measures to the Office of the State Auditor.

WHEREAS, in 2010, the Minnesota Legislature created the Council on Local Results and Innovation; and

WHEREAS, the Council on Local Results and Innovation developed a standard set of performance measures that will aid residents, taxpayers, and state and local elected officials in determining the efficacy of counties in providing services and measure residents' opinion of those services; and

WHEREAS, benefits to the City of Rochester are outlined in MS 6.91 and include eligibility for a reimbursement as set by State statute; and

WHEREAS, any city participating in the comprehensive performance measurement program is also exempt from levy limits for taxes, if levy limits are in effect; and

WHEREAS, the Common Council of the City of Rochester has adopted and implemented at least ten of the performance measures, as developed by the Council on Local Results and Innovation, and a system to use this information to help plan, budget, manage, and evaluate programs and processes for optimal future outcomes.

NOW, THEREFORE, BE IT RESOLVED, that the Common Council of the City of Rochester will report the results of the performance measures to its citizenry on or near the end of each calendar year through publication, direct mailing, posting on the city's website, or through a public hearing at which the budget and levy will be discussed and public input allowed.

BE IT FURTHER RESOLVED that the Common Council of the City of Rochester will submit to the Office of the State Auditor the actual results of the performance measures adopted by the city.

PASSED AND ADOPTED BY THE COMMON COUNCIL OF THE CITY OF
