

**DECLARING PARTICIPATION IN THE PERFORMANCE MEASUREMENT
PROGRAM AND FILING OF THE 2020 REPORTING REQUIREMENTS**

Date June 15th, 2021

Resolution No. 2021-29

WHEREAS, Benefits to Kandiyohi County for participation in the Minnesota Council on Local Results and Innovation's comprehensive performance measurement program are outlined in MS 6.91 and include eligibility for a reimbursement as set by State statute; and

WHEREAS, Any county participating in the comprehensive performance measurement program is also exempt from levy limits for taxes, if levy limits are in effect; and

WHEREAS, Kandiyohi County Board has adopted and implemented at least 10 of the performance measures, as developed by the Council on Local Results and Innovation, and a system to use this information to help plan, budget, manage and evaluate programs and processes for optimal future outcomes; and

NOW THEREFORE LET IT BE RESOLVED THAT, Kandiyohi County will continue to report the results of the performance measures to its citizenry by the end of the year through publication, direct mailing, and posting on the county's website, or through a public hearing at which the budget and levy will be discussed and public input allowed.

BE IT FURTHER RESOLVED, Kandiyohi County will submit to the Office of the State Auditor the actual results of the performance measures adopted by the county.

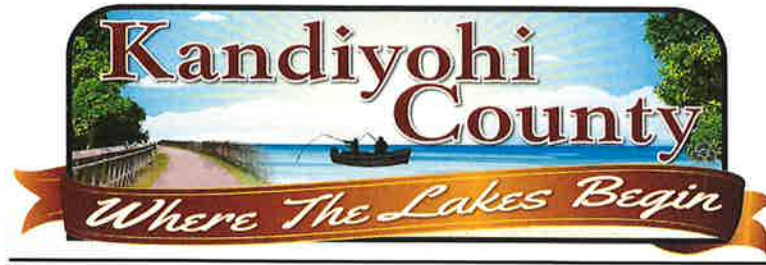

Adopted by Kandiyohi County this 15th day of June, 2021

County Board of Commissioners

George "Corky" Berg, Chairperson

I, Mark Thompson, Auditor for the County of Kandiyohi, Minnesota, do hereby certify that the above is a true and correct copy of a resolution adopted by the Board of County Commissioners on the 15th day of June, 2021.

Mark Thompson, County Auditor

In 2011, Kandiyohi County declared to participate in the Performance Measurement Program created by the Council on Local Results and Innovations. The County adopted the ten performance benchmarks developed by the Council and implemented them in 2011. The results of these measures are required to be reported to the Office of the State Auditor on an annual basis. Below are the ten performance measures, goals, and outcomes for 2020:

Public Safety

1. Performance Measure: Part I and II Crime Rates

Performance Goal: To decrease crime rates over 5 years

Outcome: In 2020, the Kandiyohi County Sheriff's Office reported 528 Part I crimes, compared to 228 Part I crimes in 2019. We had 330 Part II crimes reported in 2020 compared to 554 in 2019. In comparing figures, you can see we had an increase in Part I crimes, and decrease in Part II crimes.

The new data is construed and swayed by COVID, new data reporting requirements (NIBRS) and the old data not transitioning well to the new form. 2021 data will be more accurate, complete, and new base line going forward for years to come.

In 2020 the Kandiyohi County Sheriff's Office was one of the first law enforcement agencies to transition to NIBRS. What is NIBRS? NIBRS identifies, with precision, when and where crime takes place, what form it takes, and the characteristics of its victims and perpetrators. This information lets law enforcement better define the resources it needs to fight crime, as well as use those resources in the most efficient and effective manner.

NIBRS Provides: • Greater specificity in reporting offenses. • Collects more detailed information. • Helps give context to specific crime problems • Provides greater analytic flexibility.

Public Works

2. Performance Measure: Average Bridge Sufficiency Rating

Performance Goal: To maintain the county bridge condition to achieve standards as defined by the State of Minnesota.

Outcome: The Kandiyohi County average local bridge planning index is 88.4. Kandiyohi County inspects 122 bridges in the county which includes township bridges.

Public Health, Social Services

3. Performance Measure: General life expectancy

Performance Goal: Increase life expectancy to meet or exceed state average

Outcome: Minnesota overall: 81.05 (#2, only to Hawaii)

Kandiyohi overall: 79.0

MN Life expectancy Male: 78.67
Female: 83.34

Kandiyohi County Male: 78.97
Female: 83.37

4. Performance Measure: Tobacco and Alcohol Use

Performance Goal: To decrease Tobacco and Alcohol use in Kandiyohi County

Outcome: Kandiyohi County adult tobacco use (use tobacco and currently smoke) is 15% and which is right in line with the Minnesota average of 15%. Source: BRFSS 2020 estimates, www.countyhealthrankings.org

Kandiyohi County adult alcohol use (heavy alcohol use and binge drinking) is 19% which is slightly below the Minnesota average of 22% Source: BRFSS 2020 estimates, www.countyhealthrankings.org

Kandiyohi County ranks 28th of 87 counties in Minnesota for health behavior measures, however we rank 43rd of 87 counties for health outcome measures. Source: BRFSS 2020 estimates, www.countyhealthrankings.org

5. Performance Measure: Workplace participation rate among MFIP and DWP recipients

Performance Goal: To increase the participation rate for MFIP & DWP in Kandiyohi County

Outcome:

MFIP Work Participation Rate (WPR)	Kandiyohi
January 2020	39.58%
February 2020	36.17%
March 2020	12.00%
April 2020	17.65%
May 2020	5.77%

June 2020	6.25%
July 2020	16.28%
August 2020	15.91%
September 2020	18.61%
October 2020	13.46%
November 2020	19.67%
December 2020	20.93%
Statewide	
January 2020	31.38%
February 2020	27.79%
March 2020	17.55%
April 2020	13.77%
May 2020	12.89%
June 2020	11.25%
July 2020	12.55%
August 2020	13.29%
September 2020	15.61%
October 2020	14.77%
November 2020	17.32%
December 2020	17.23%

The WPR comes out on quarterly and is listed month by month. For the months of May 2020 and June 2020: The probable cause for these lower numbers may be that Jennie-O, a large meat processing plant in our county, was shut down due to the COVID-19 pandemic. Also, the CareerForce center job counselors are not able to apply any sanctions to anyone since the executive powers went into effect last March/April 2020. The CareerForce job counselors are not able to make anyone follow their employment plans, contact their job counselor, turn in documents, and above all require them prove in any way that they are working or why they quit working, which has been a challenge. Property Records, Valuation, Assessments

6. Performance Measure: Level of Assessment ratio

Performance Goal: Maintain an acceptable ratio of between 90% and 105%

Outcome: Current year 2020

- Residential.....94.94%
- Agricultural (bare land)..... 93.13%
- Commercial..... 96.42%
- Agricultural improved and unimproved...94.56%

7. **Performance Measure:** Turn-around time for recording, indexing and returning real estate documents

Performance Goal: Meet MN Statutes 357.182, Subd. 3, 4, & 6 requirements; record and return recordable real estate documents within 10 business days beginning 2011 and later, 90% of the time

Outcome: 94.99% of 2020 recordable real estate documents were recorded and returned within 10 business days, **exceeding** the MN Statute requirements.

Elections

8. **Performance Measure:** Accuracy of post-election audit (% of ballots counted accurately)

Performance Goal: To maintain 100% accuracy of ballots counted for each elections

Outcome: Kandiyohi County had 100% accuracy of the ballots counted during its post-election audit of all applicable 2020 elections.

Veterans Services

9. **Performance Measure:** Dollars brought into county for veteran's benefits

Performance Goal: The goal is to increase amount of dollars brought into the County from veteran's benefits. The goal of the County is to insure every Veteran receives all benefits available to them.

Outcome: Total Veteran population in Kandiyohi County is 2,258 veterans. The total Federal and State dollars received for 2020 was: \$25,109,000.00

Environment

10. **Performance Measure:** Amount of hazardous household waste and electronics collected

Performance Goal: The goal of the County is to reduce the level of HHW in the solid waste stream, and educate the residents and businesses on the proper disposal of hazardous waste. The goal for the County is to provide opportunities to the residents of the County for the management of electronics.

Outcome: In 2020, the regional HHW program in Kandiyohi County collected and properly disposed of approximately... Latex: 4,038 gallons, Oil Base: 1,495 gallons, Fuels: 715 gallons, Lab Pack: 6,153 pounds, Aerosols: 3,471 pounds, and Ag. Pesticides: 5,704 pounds. **REUSE:** Latex: 250 gallons, Oil Base: 104 gallons, Aerosols: 360 pounds, Flammable Liquids: 91 gallons and Other: 528 items. **Electronics Collected from SW Inc.:** 203,080 pounds
