INTRODUCTION

This Legal Compliance Audit Guide was prepared by the Office of the State Auditor pursuant to Minn. Stat. §§ 6.65 and 124E.16 in consultation with representatives from the Attorney General's Office, towns, cities, counties, school districts, and private sector public accountants. The purpose of the task force was to establish minimum compliance guidelines for verification by auditors engaged in the process of auditing political subdivisions of the state.

This guide is divided into specific sections and presented in checklist form to assist the auditor of government units in the verification of statutory compliance. The guide is not meant to be a complete compilation of all laws affecting municipalities or a complete analysis of the laws cited throughout. The checklist is meant to act as a reference guide regarding minimum legal compliance, and municipal auditors must examine, in addition to applicable laws cited in the guide, those laws creating, granting power to, and restricting the municipal entities they are auditing.

Under each section, except for the initial question establishing the transaction covered by the topic heading and except where the explanation of a given question indicates otherwise, all questions should be answered in the affirmative. A negative answer indicates a compliance problem, and the user of the checklist is directed to the statutory section indicated on the left-hand side of the page. If after examination of the appropriate statute, the auditor using this audit guide is still unsure as to whether there has been legal compliance, he or she should check with legal counsel before rendering the opinion on compliance contained at the end of each section.

AUDITOR'S REPORTS ON COMPLIANCE

Chapter 3 contains five model reports, one of which is to be completed by the auditor following his or her completion of the appropriate compliance sections.

These reports or the language from these reports must be issued as part of the audits of the governmental entities or relief associations.

PREPARATION OF MINUTES

Auditing for legal compliance will require a review of the minutes of the charter school board. A charter school must comply with the Minnesota Open Meeting Law, Minn. Stat. ch. 13D. Pursuant to Minn. Stat. § 13D.01, subd. 4:

The votes of the members of the state agency, board, commission, or department; or of the governing body, committee, subcommittee, board, department, or commission on an action taken in a meeting required by this section to be open to the public must be recorded in a journal or minutes . . . The vote of each member must be recorded on each appropriation of money, except for payments of judgments, claims, and amounts fixed by statute.

In addition, subd. 5 states, “[t]he journal or any minutes used to record votes of a meeting subject to this chapter must be open to the public during all normal business hours where records of the public body are kept.”

The above provision requires that the individual votes of each member of the charter school board on “an action” be specifically recorded except for votes on “payments of judgments, claims, and amounts fixed by statute.”

Having satisfied minimum requirements, the question of how elaborate and extensive the minutes should be is largely a policy matter for determination by the particular body in the exercise of reasonable judgment and discretion. The Attorney General has explained:

...there may be circumstances in which it would be advisable for the town board to provide for the minutes to include information over and above what is necessary to satisfy minimum statutory requirements for a record of its official actions.

Op. Atty. Gen. 851-C, March 5, 1992. For example, the board’s reasons for reaching a particular decision could be crucial in defending a challenge to the action taken. The inclusion of such information may be deemed appropriate under other circumstances, such as where the body determines that the public interest warrants the award of a particular contract to a bidder other than the lowest bidder.

Unless a charter school adopts a records retention schedule (and notifies the Minnesota Historical Society), it may not destroy public records without the permission of the records disposition panel. Applications may be made to the State Archives Department for such permission. For instance, sealed bids received by a charter school must be kept forever, unless the charter school (1) adopts the School District General Records Retention Schedule; in which case, the charter school must maintain these records for six years; (2) adopts its own properly approved records retention schedule; or (3) receives authority to dispose of the records from the records disposition panel. Under Minn. Stat. § 124E.03, subd. 5, a charter school must comply with Minn. Stat. §§ 138.163 and 138.17 governing the management of local records.

A political subdivision that wishes to adopt the appropriate General Records Retention Schedule can find information on the State Archives website (<http://www.mnhs.org/preserve/records/retentionsched.php>).

CHARTER SCHOOLS

LEGAL COMPLIANCE AUDIT GUIDE

CHARTER SCHOOLS

Introduction

Charter schools must comply with statutes as specified in Minn. Stat., ch. 124E, including Minn. Stat. § 124E.16. Pursuant to Minn. Stat. § 124E.16, subd. 1, charter school audits must be conducted in compliance with Minn. Stat. § 6.65, which requires legal compliance audits and the promulgation of this Legal Compliance Audit Guide.

Charter School audits “must comply with the requirements of sections 123B.75 to 123B.83 governing school district finance, except when the commissioner [of education] and authorizer approve a deviation made necessary because of school program finances.” *See* Minn. Stat. § 124E.16, subd. 1.

Charter schools must comply with the Uniform Financial Accounting and Reporting Standards (UFARS) for Minnesota schools. *See* section 2.

Audit Report. Charter School audit reports must comply with Minn. Stat. § 124E.16, and auditors should review this statute. Specific requirements include the following:

“The charter school, with the assistance of the auditor conducting the audit, must include with the report, as supplemental information: (1) a copy of a new management agreement or an amendment to a current agreement with a CMO or EMO signed during the audit year; and (2) a copy of a service agreement or contract with a company or individual totaling over five percent of the audited expenditures for the most recent audit year. The agreements must detail the terms of the agreement, including the services provided and the annual costs for those services.....” Minn. Stat. § 124E.16, subd. 1 (c).

“A charter school independent audit report shall include audited financial data of an affiliated building corporation under section 124E.13, subdivision 3, or other component unit.” Minn. Stat. § 124E.16, subd. 1 (d).

“If the audit report finds that a material weakness exists in the financial reporting systems of a charter school, the charter school must submit a written report to the commissioner explaining how the charter school will resolve that material weakness. An auditor, as a condition of providing financial services to a charter school, must agree to make available information about a charter school’s financial audit to the commissioner and authorizer upon request.” Minn. Stat. § 124E.16, subd. 1 (e).

If the charter school entered into a contract with either a charter management organization (CMO) or an educational management organization (EMO) there are certain requirements of the contract as well as certain disclosure and reporting requirements. *See* Minn. Stat. § 124E.16, subd. 3.

CMOs and EMOs are defined as follows:

“Charter management organization” or “CMO” means a nonprofit entity or organization that operates or manages a charter school or a network of charter schools or can control all or substantially all of a school’s education program or a school’s administrative, financial, business, or operational functions. Minn. Stat. Section 124E.02 (d).

“Educational management organization” or “EMO” means a for-profit entity or organization that operates or manages a charter school or a network of charter schools or can control all or substantially all of a school’s education program, or a school’s administrative, financial, business, or operational functions. Minn. Stat. Section 124E.02 (f).

Auditors must include with the audit report as supplemental information:

A copy of any new or amendment to a current CMO or EMO management agreement and a copy of any service agreement or contract with a company or individual totaling over 5% of audited expenditures for the most recent audit year.

LEGAL COMPLIANCE AUDIT GUIDE

UNIFORM FINANCIAL ACCOUNTING AND REPORTING STANDARDS (UFARS) FOR MINNESOTA SCHOOL DISTRICTS AND CHARTER SCHOOLS

Introduction

Minnesota law requires that the audits of all school districts, all governmental units formed by joint powers agreements entered into by school districts, and all service cooperatives and education districts must include a determination of compliance with uniform financial accounting and reporting standards (UFARS). Minn. Stat. §§ 6.65; 123B.77, subd. 3. This requirement applies to charter schools under Minn. Stat. § 124E.16, subd. 1.

Minn. Stat. § 6.65 states (emphasis added):

The state auditor shall prescribe minimum procedures and the audit scope for auditing the books, records, accounts, and affairs of political subdivisions in Minnesota. The minimum scope for audits of all political subdivisions must include financial and legal compliance audits. Audits of all school districts must include a determination of compliance with uniform financial accounting and reporting standards. The state auditor shall promulgate an audit guide for legal compliance audits, in consultation with representatives of the state auditor, the attorney general, towns, cities, counties, school districts, and private sector public accountants.

Minn. Stat. § 123B.77, subd. 3, states (emphasis added):

By November 30 of the calendar year of the submission of the unaudited financial data, the district must provide to the commissioner audited financial data for the preceding fiscal year. The audit must be conducted in compliance with generally accepted governmental auditing standards, the federal Single Audit Act, and the Minnesota legal compliance guide issued by the Office of the State Auditor. An audited financial statement prepared in a form which will allow comparison with and correction of material differences in the unaudited financial data shall be submitted to the commissioner and the state auditor by December 31. The audited financial statement must also provide a statement of assurance pertaining to uniform financial accounting and reporting standards compliance and a copy of the management letter submitted to the district by the school district's auditor.

Uniform Financial Accounting and Reporting Standards (UFARS)

The uniform financial accounting and reporting standards to be used by school districts for automated state reporting purposes are described in the [UFARS Manual](#) and in School Business Bulletins issued by the Minnesota Department of Education. The UFARS Manual and School Business Bulletins provide an account code structure and guidance on application of accounting principles. At any point in time, parts of the UFARS Manual may have been superseded by legislative, program, and accounting principle changes. The School Business Bulletins serve as updates to the UFARS Manual for such changes. It is the auditor's responsibility to stay abreast of current developments.

UFARS Compliance

In order to determine compliance with UFARS, the auditor should consider the following items.

Account Coding

Conformance with UFARS includes the classification of revenues and expenditures into appropriate UFARS codes. UFARS revenue and expenditure codes consist of 17 digits organized into six dimensions. Chapter Ten of the [UFARS Manual](#) defines how the six dimensions may be combined into valid 17-digit codes for state reporting purposes.

1. Revenue and expenditure account codes that have been developed by school districts for their internal use must be linked (crosswalked) to the appropriate 17-digit UFARS codes. In some cases, the internal district code bears little resemblance to the UFARS code. The underlying UFARS codes, not the district codes, are used for automated reporting to the state.
2. Audit procedures should be developed to ensure that revenues and expenditures have been recorded in the proper UFARS codes.
 - A. Such procedures must include tests of controls as identified in and where required by the American Institute of Certified Public Accountants (AICPA) Statement of Auditing Standards - Clarity, Section AU-C 330, *Performing Audit Procedures in Response to Assessed Risks and Evaluating the Audit Evidence Obtained*. The procedures developed should be in response to assessed risks identified pursuant to Section AU-C 315, *Understanding the Entity and Its Environment and Assessing the Risks of Material Misstatement*. Sampling may be used to determine the reasonableness of recorded UFARS amounts and classifications based on examination of source documentation.
 - B. Such audit procedures may include the following:
 - Verify appropriate UFARS coding as part of a test of transactions (individual revenue and expenditure transactions).
 - Test linkage (crosswalk) of internal use account codes to the appropriate 17-digit UFARS codes.
 - Review the “UFARS Turnaround Edit Report” for errors. (To access the report, select “Minnesota Funding Reports (MFR)” at: <https://public.education.mn.gov/MDEAnalytics/DataTopic.jsp?TOPICID=9>, then use the drop downs.)
 - Verify appropriate UFARS coding as part of testing of revenue and expenditure account totals for the year.
 - Other tests that are considered necessary.

Auditors should use their judgment in determining the nature, timing, and extent of testing necessary to provide a statement of assurance pertaining to UFARS compliance.

Audit Reporting

The Auditor's Report on Compliance should indicate that the audit was conducted to determine conformance with UFARS standards. Chapter Three of this audit guide includes suggested wording for Auditor's Reports on Compliance.

In connection with our audit, nothing came to our attention that caused us to believe that *(entity name)* failed to comply with the provisions of the charter schools and uniform financial accounting and reporting standards for Minnesota school districts and charter schools *(delete sections not required to test)* sections of the *Minnesota Legal Compliance Audit Guide for Charter Schools*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the *(entity type)*'s noncompliance with the above referenced provisions, insofar as they relate to accounting matters.

- If legal compliance findings are reported, use the following wording:

In connection with our audit, we noted that *(entity name)* failed to comply with provisions of the *(list section titles of guide in which noncompliance was identified)* of the *Minnesota Legal Compliance Audit Guide for Charter Schools*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, insofar as they relate to accounting matters as described in the *(schedule name where findings are listed)* as items *(list related finding reference numbers)*. Also, in connection with our audit, nothing came to our attention that caused us to believe that *(entity name)* failed to comply with the provisions of the charter schools and uniform financial accounting and reporting standards for Minnesota school districts and charter schools *(delete sections not required to test & delete any section titles that identified reported findings)* sections of the *Minnesota Legal Compliance Audit Guide for Charter Schools*, insofar as they relate to accounting matters. Government Auditing Standards requires the auditor to perform limited procedures on the *(entity name)*'s response to the legal compliance findings identified in our audit and described in the accompanying *(name of report where the responses/corrective action plans are included)*. The *(entity type)*'s response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

The purpose of this report is solely to describe the scope of our testing of compliance and the results of that testing, and not to provide an opinion on compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN
AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Independent Auditor's Report

(Governing body)
(Entity)

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of (*list related opinion units*) of (*entity name*) as of and for the year ended June 30, 2024, and the related notes to the financial statements, which collectively comprise the (*entity type*)'s basic financial statements, and have issued our report thereon dated _____.

Internal Control Over Financial Reporting*

In planning and performing our audit of the financial statements, we considered (*entity name*)'s internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the (*entity type*)'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the (*entity type*)'s internal control over financial reporting.

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the (*entity type*)'s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit the attention of those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether (*entity name*)’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Minnesota Legal Compliance

In connection with our audit, nothing came to our attention that caused us to believe that (*entity name*) failed to comply with the provisions of the charter schools and uniform financial accounting and reporting standards for Minnesota school districts and charter schools (*delete sections not required to test*) sections of the *Minnesota Legal Compliance Audit Guide for Charter Schools*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the (*entity type*)’s noncompliance with the above referenced provisions, insofar as they relate to accounting matters. ***

[Entity Name]’s Response to Findings

Government Auditing Standards requires the auditor to perform limited procedures on the (*entity name*)’s response to the internal control and legal compliance findings (*adjust as necessary for what they responded to*) identified in our audit and described in the accompanying (*name of report where the responses/corrective action plans are included*). The (*entity type*)’s response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

[Leave out if no findings and no responses are included.]

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the provisions of the *Minnesota Legal Compliance Audit Guide for Charter Schools* and the results of that testing, and not to provide an opinion on the effectiveness of the *(entity type)*'s internal control over financial reporting or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the *(entity type)*'s internal control over financial reporting and compliance. Accordingly, this communication is not suitable for any other purpose.

*Paragraphs to be used when no significant deficiencies or material weaknesses are identified.

- If significant deficiencies, but no material weaknesses, are identified, use the following wording:

In planning and performing our audit of the financial statements, we considered *(entity name)*'s internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the *(entity type)*'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the *(entity type)*'s internal control over financial reporting.

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the *(entity type)*'s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit the attention of those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit, we did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses. We identified certain deficiencies **(a deficiency)** in internal control over financial reporting, described in the accompanying *(schedule name where findings are listed)* as items *(list related finding numbers)* that we consider to be significant deficiencies **(a significant deficiency)**.

- If material weaknesses and no significant deficiencies are identified, use the following wording:

In planning and performing our audit of the financial statements, we considered *(entity name)*'s internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the *(entity type)*'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the *(entity type)*'s internal control over financial reporting.

Our consideration of internal control over financial reporting was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies and, therefore, material weaknesses or significant deficiencies may exist that were not identified. However, as described in the accompanying *(schedule name where findings are listed)*, we identified certain deficiencies in internal control over financial reporting that we consider to be material weaknesses (**a material weakness**) and significant deficiencies (**a significant deficiency**).

A deficiency in internal control over financial reporting exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control over financial reporting such that there is a reasonable possibility that a material misstatement of the (*entity type*)’s financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the deficiencies (**deficiency**) described in the accompanying (*schedule name where findings are listed*) as items (*list related finding numbers*) to be material weaknesses (**a material weakness**).

A significant deficiency is a deficiency, or combination of deficiencies, in internal control over financial reporting that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the deficiencies (**deficiency**) described in the accompanying (*schedule name where findings are listed*) as items (*list related finding numbers*) to be significant deficiencies (**a significant deficiency**).

******Paragraph to be used when there are no reportable instances of noncompliance or other matters.

- If instances of noncompliance are reported, use following wording:

The results of our tests disclosed instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*, and which are described in the accompanying (*schedule name where findings are listed*) as items (*list related finding numbers*).

*******Paragraph when there are no compliance legal findings.

- If legal compliance findings are reported, use the following wording:

In connection with our audit, we noted that (*entity name*) failed to comply with provisions of the (*list section titles of guide in which noncompliance was identified*) of the *Minnesota Legal Compliance Audit Guide for Charter Schools*, promulgated by the State Auditor pursuant to Minn. Also, in connection with our audit, nothing came to our attention that caused us to believe that (*entity name*) failed to comply with the provisions of the charter schools and uniform financial accounting and reporting standards for Minnesota school districts and charter schools (*delete sections not required to test & delete any section titles that identified reported findings*) sections of the *Minnesota Legal Compliance Audit Guide for Charter Schools*, insofar as they relate to accounting matters. However, our audit was not directed primarily toward obtaining knowledge of such noncompliance. Accordingly, had we performed additional procedures, other matters may have come to our attention regarding the (*entity type*)’s noncompliance with the above referenced provisions, insofar as they relate to accounting matters.
