Description of the Office of the State Auditor

The Office of the State Auditor serves as a watchdog for Minnesota taxpayers by helping to ensure financial integrity, accountability, and cost-effectiveness in local governments throughout the state.

Through financial, compliance, and special audits, the State Auditor oversees and ensures that local government funds are used for the purposes intended by law and that local governments hold themselves to the highest standards of financial accountability.

The State Auditor performs approximately 250 financial and compliance audits per year and has oversight responsibilities for over 4,300 local units of government throughout the state. The office currently maintains five divisions:

Audit Practice - conducts financial and legal compliance audits for local governments;

Government Information - collects and analyzes financial information for cities, towns, counties, and special districts;

Legal/Special Investigations - provides legal analysis and counsel to the Office and responds to outside inquiries about Minnesota local government law; as well as investigates allegations of misfeasance, malfeasance, and nonfeasance in local government;

Pension - monitors investment, financial, and actuarial reporting for over 700 public pension funds; and

Tax Increment Financing, Investment and Finance - promotes compliance and accountability in local governments' use of tax increment financing through financial and compliance audits.

The State Auditor serves on the State Executive Council, State Board of Investment, Land Exchange Board, Public Employee's Retirement Association Board, Minnesota Housing Finance Agency, and the Rural Finance Authority Board.

REPORT ON MINNESOTA LEGAL COMPLIANCE

Board of Trustees
Duluth Teachers' Retirement Fund Association

We have audited the basic financial statements of the Duluth Teachers' Retirement Fund Association as of and for the year ended June 30, 2006, and have issued our report thereon dated October 4, 2006.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the provisions of the *Minnesota Legal Compliance Audit Guide for Local Government*, promulgated by the State Auditor pursuant to Minn. Stat. § 6.65. Accordingly, the audit included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The *Minnesota Legal Compliance Audit Guide for Local Government* contains five categories of compliance to be tested: contracting and bidding, deposits and investments, conflicts of interest, public indebtedness, and claims and disbursements. Our study included only the deposits section of the deposits and investments category. The investments section of the deposits and investments category and the other categories do not apply to the Duluth Teachers' Retirement Fund Association.

The results of our tests indicate that, for the items tested, the Duluth Teachers' Retirement Fund Association complied with the material terms and conditions of applicable legal provisions.

This report is intended solely for the information and use of the Board of Trustees and management and is not intended to be, and should not be, used by anyone other than those specified parties.
