7	It depends on the part of town you are in. For example east side looks like it's the ghetto and south side ok. Lots of sad looking houses. Garbage in parks.	6/19/2024 9:26 AM
8	Terrible as a formal park and Rec employee we were expected to clean up the city and pull weeds, our city looks like trash no one has a work ethic to step off the water cart and pull weeds? Or drive to the parks and clean up? This town is a joke.	6/18/2024 9:51 AM
9	It seems like the goal is to tear down and pave over character and anything pretty and historic. The town is clean looking but it's like whoever is in charge has aspirations of living in a city that looks like a sad strip mall or industrial park. Look how soulless the street is by St. Olaf. It's just a whole long street of white concrete. No life. Just sterile.	6/18/2024 12:38 AM
10	Far too much litter in the parks. I've never seen a town like it. We don't take our daughter to local parks anymore because of how much garbage there is. Even when I've personally cleaned it up, more garbage is back next week.	6/17/2024 9:21 PM
11	Many positives around town. Sad to see empty houses just sitting there falling apart. Some neighborhoods are just spoiling - not like they were when I was a kid.	6/17/2024 5:01 PM
12	So many yards have trash/cars	6/17/2024 4:17 PM
13	We need to spend more money on cleaning up run down neighborhoods. Hire another fulltime or part-time inspector to get more done.	5/15/2024 9:52 PM

1	Awesome job during big snowfalls. Holidays and weekend snows with little or no snow removal causes build up. Remove ASAP minimizes. This is not staff problem but scheduling and contract constraints. (OT etc)	6/25/2024 8:37 AM
2	Why can't we go to an even/odd parking model in the winter?! This would help tremendously with plowing. But why would the City ever try to be proactive.	6/25/2024 8:18 AM

1	Overall however, Austin that long-term Austinites realize how business and available products and services have dwindled. Street cleaning could use a makeover...if you let us know when you are coming through we could get our cars off the streets. Example every Tuesday from 7 to 3. Impose fines for those who don't comply like they should do more of during snow emergencies. 75.00 fine. Of course there maybe acceptable reasons but it's money that could be put back into street budgets. Too many pesticides still being used by residents causing breathing difficulties for those with lung and breathing issues. No smoking in indoor facilities has worked so would it work for reducing pesticides perfumes ..toxic smells. If you never have had these issues you just can't relate. Public indoor spaces need to be re-imagined. Including churches stores etc. Any pulmonology doctor can attest to this	6/25/2024 8:37 AM

2024 City of Austin Survey

5	Need to get single.sort recycling.	6/20/2024 7:23 AM
6	Stray cat population is out of control. Mower county citizens have taken it on their own to help towards this and it would be nice to have help from the city as well.	6/19/2024 8:01 PM
7	The city needs a TNR program. They should partner with Mower County Citizens for Felines. 507-219-0715	6/19/2024 7:32 PM
8	This city at communication. Absolutely, unequivocally at connecting with residents, unless they are VIPs. This town is too big to be small, and too small to be big, so everyone just throws their hands in the air and leaves it to someone else. This city would fall apart if it weren't for outside organizations making stuff happen.	6/19/2024 5:38 PM
9	Too many city workers just driving around on company time not doing f things. Know they do this personally	6/19/2024 2:43 PM
10	A city run composting site is needed!	6/19/2024 11:58 AM
11	Don't know much about this.	6/19/2024 9:26 AM
12	I believe Austin is a good community to live and to raise a family. I think with a revised vision it could be great. Things worth while cost money. If you don't want to pay taxes, you should experiment by living in another community that has lower taxes and see what the quality of life is like there. I think that rather than having the unimaginative and again, disingenuous, conversation of cutting taxes, leadership should be more courageous and insightful about responsible spending of tax dollars.	6/19/2024 9:25 AM
13	Traffic enforcement could use a major bump. Speeding in residential zones is horrifying. Some people repeatedly going 50-60+ but no police to be seen.	6/17/2024 9:21 PM
14	A few people in city hall need to be fired	6/17/2024 5:41 PM
15	The city seems more concerned about watering flowers downtown and making things pretty on the outside than it is with enforcing ordinances to keep us safe.	6/17/2024 5:17 PM
